Health Office News:
REMINDER FOR PARENTS: If you dropped off any OTC medications for your student to have at school including cough drops, you are more than welcome to come pick them up now. Please feel free to give the health office a call to see if your student has medication here. At the end of the school year, all medications that have not been picked up will be discarded. In addition, we are not fully out of the woods with all the sickness going around. Here are a few reminders on how to stay healthy:

- ◆ Teach your child not to share personal items including drinks, food, as well as, coats, hats, etc.
- ◆ Help your child learn to cover coughs and sneezes with a tissue or sleeve.
- ◆ Wash hands throughout the day!
- ◆ Keep sick children home for 24 hours until fever is gone without fever reducing medications and/or 24 hours after vomiting stops.
