

October

Sweater Weather

The weather is changing, it's time to start dressing in layers and wearing coats on these chillier fall mornings!! Please remember to label your students clothing in case they get lost. The lost and found is located in RM 107

A note from our Family Center Coordinator, Ms. Sandoval

Dear Chipeta Families,

Thank you for your continued support and commitment to your children. It is really making a difference in the quality of education we are able to provide at our school. Please keep an eye on your email, I will soon be sending out a survey that will give me a better idea of how to better support you and your family, as well as some information and resources about food, winter clothing, and more. Thank you, again, for your involvement. Please feel free to reach out to me if there is anything you and your family need at this time.

Sincerely,

JenāRae Sandoval

Family Center Coordinator

A note from our Assistant Principal, Mr. Spoede

Dear Chipeta Families,

This is an exciting time of the year. Fall is definitely one of my favorites! The cooler weather, the changing colors, the fall flavors and football.

We want all students and families to be healthy and enjoy this time of the year, so I would like to encourage you to be diligent in a couple of things. Students have been doing an amazing job with keeping their masks on and understanding the need. Please encourage them to continue with this attitude and masks up when needed to help keep us safe and in-person for our learning.

Our teachers have been working hard learning and implementing our new math curriculum, Bridges. It's been exciting to see students engaged with the new material and teachers digging down to the essential learning that is needed for their students.

Have a great October and thank you again for sharing your students with us this year!

Scott Spoede

Assistant Principal

Health Services

For the safety of our staff and students:

Please remember that all medications (over the counter, prescription, cough drops, cold sore ointments, ect.) need to be kept in the health office. Students may not carry them in their pockets or backpacks.

Hand sanitizer is provided by the school, at these time students are not permitted to bring their own.

Please do not forget to complete your student's symptom tracker every morning before 9 a.

If you have any questions let our health office know.

Thank you, Jennifer Eckhart, R.N.

Kim McIntosh Hlth. Asst.
